

# The Incredible Egyptians

## HISTORY

We will look at aspects of Egyptian life including:

- \*Timelines and chronology.
- \*The discoveries the Egyptians made and how they affect our lives today.
- \*Use artefacts to understand the past.
- \*Debate different opinions on key Egyptian figures.
- \*Explore the importance of Gods and the Afterlife.
- \*Understand the social structure in Ancient Egypt.

## MATHEMATICS

In Year 3 we will be looking at:

- \*Multiplication and division
- \*Measurement—length and perimeter
- \*Number—fractions

In Year 4 we will be looking at:

- \*Multiplication and Division
- \*Measurement—length and perimeter
- \*Fractions
- \*Decimals

## ENGLISH

We will be writing in a range of different styles whilst still focusing on spelling, grammar and punctuation.

- \*Recount writing
- \*Persuasive writing
- \*Non-chronological report writing
- \*Instruction writing

## SCIENCE

We will begin our term by looking at electricity with circuits and conductors. We will then learn about classifying animals including humans and nutrition.

## COMPUTING

We will begin by looking at cyber bullying. Later on in the term they will also be using Scratch Programming to create a game.

## PE

This term we will be doing football and will develop the skills involved as well as the tactics needed to play a football game. We will also look at gymnastics and yoga and will focus on balances.

Mexico Class will be starting their swimming sessions.

## ART

We will be exploring Egyptian art and experimenting with a number of techniques such as drawing, painting and printing. We will use art through technology by creating a side profile photograph and will create a collage headdress. We will research cartouches and will create a 3D clay cartouche.

## GEOGRAPHY

We will:

- \*locate places on maps
- \*understand the importance of the River Nile and how it impacts on Egyptian life
- \*human and physical features of Egypt

## MUSIC

The children will be listening to Egyptian music and songs. They will also be singing and composing their own piece using voice and instruments. We will also be practising the songs for the O2.

## FRENCH

We will be learning about the:

- \*Seasons
- \*Days of the week
- \*Months of the year

## TECHNOLOGY

We will be planning, designing and building a pyramid with a security system. We will attach a simple circuit with either a bulb or a buzzer to warn off unwanted visitors.

## RE/PSHE

We will be looking at Buddhism and will answer the question: Does Buddha's teaching make the world a better place? Later in the term we will also be looking at Christianity and the importance of forgiveness.

In PSHE we will be thinking about our dreams and goals and what makes us healthier.
